

TOP-10 LAW FIRM

The Client

Founded in New York in 1901, this top-10 East Coast law firm has more than 1,000 attorneys on staff in the United States, Latin America, Europe, the Middle East, Africa and Asia. The firm represents public and privately held commercial businesses and financial institutions, as well as governments and state-owned entities, involved in sophisticated corporate and financial transactions and complex dispute resolution proceedings.

The Challenge

One of the firm's Fortune 50 clients needed a seven-week turnaround in answering a government subpoena.

The Solution

Daticon EED provided a full range of electronic evidence discovery services throughout the project. To meet the clients' aggressive schedule, Daticon EED processing experts worked 24 hours a day, seven days a week to load more than 2.5 million pages of documentation for

Success Stories

native review using Daticon EED Discovery Partner® software. The case was supported around the clock by expert project management in Washington, D.C., New York City, and Seattle. Daticon EED's team was able to produce more than 200,000 pages of documentation more than 24 hours ahead of the client deadline.

This project included custom processing to address the many different e-mail formats contained in the clients' datasets. Daticon EED also was able to dramatically reduce the amount of data by culling against search terms and using advanced de-duplication procedures, resulting in a quick and efficient review. The key advantage for the client was the ability to conduct the review around the clock from multiple offices.

About Daticon Electronic Evidence Discovery

Daticon EED is a nationwide provider of eDiscovery services and technology with more than 20 years of experience managing the most complex and challenging eDiscovery projects. We combine a proven methodology, expert staff and our industry-leading Discovery Partner™ hosted review platform to significantly reduce the risk, cost and time of eDiscovery for global corporations and law firms. We offer services for both large and small cases, including case strategy, pre-review analytics, review optimization, early case assessment, as well as processing, hosted review and production. With headquarters in Kirkland, WA, and operations in Norwich, CT, Southern California, Chicago, New York, Washington, DC, and London, Daticon EED offers convenient regional support for national and international cases.
